SUMMARY

Graphic and Web Designer with 8+ years translating complex content into clear, accessible visuals across web, print, environment, and social. Drawn to mission-driven work in service of sustainability, equity, and community.

EXPERIENCE

Form Energy

Berkeley, Oct 2023 – Feb 2025

Graphic Designer and Web Developer

- Reports, investor decks, press materials, and all-hands communications translating battery and grid-storage engineering for technical and non-technical audiences
- Event design and materials for Breakthrough Energy summit
- Exhibition assets on the relationship between new clean-energy industry and the history of the Weirton steel mill, connecting Form Energy to the community
- WordPress site management end-to-end – Figma design, frontend development, and custom HTML/CSS/JS features
- Google Analytics dashboard rebuild and Ashby ATS integration, restoring broken tracking and unifying recruiting data
- Brand templates and asset libraries adopted across Comms, HR, and leadership

Carbon Inc.

Redwood City, Nov 2019 – Oct 2022

Graphic Designer

- White papers, technical documents, and case studies on additive manufacturing and materials science for thousands of engineers and researchers
- Co-branded launches with adidas, CCM, and Ford across packaging, collateral, and digital
- Booth graphics, launch materials, and lead-tracking dashboards for Formnext, TCT, and CES – supporting 2,000+ leads
- Mailchimp campaigns and email graphics for product announcements and customer communications

IC Design Practice

Berkeley, Dec 2022 – Present

Graphic Designer

- Brand identities, websites, and marketing systems for small-business clients/stealth startups
- End-to-end ownership of scoping, timelines, feedback, and budgets as sole designer

M-A-D

Berkeley, May 2017 – Aug 2017, May 2019

Multimedia Designer

- Digital, environmental, and motion graphics for civic-research and public-sector clients
- Exhibition assets and a public VR installation for community audiences

Quantified Self

Berkeley, Dec 2018 – Jan 2019

UX/UI Designer

- Visual identity and event-page assets for QS2019 conference launch
- Content workflow streamlining asset handoff between design and event teams

EDUCATION

California College of the Arts

San Francisco, California

BFA in Graphic Design, Aug 2014 – May 2019
